

EELP

Emergency and Exit
Lighting Products

Warranty

EMERGENCY & EXIT

Any component of our emergency or exit lighting products that fails due to a manufacturing defect will be replaced at no cost within 5 years of the purchase date. Replacement will be for the failed component or a new unit at EELP's discretion. All defective units are subject to manufacture testing. Should any failed units be found defective from misuse, improper voltage, or faulty wiring, the customer will be charged for the replacement.

Under no circumstances will EELP be responsible for back charges of any kind, including, without limitation, labor charges, equipment rental fees or late penalties unless prior approval has been given.

LED lamps are warranted for 25 years.

To activate the warranty, the product must be installed and maintained properly. The batteries must be placed in service and fully charged within 9 months of invoice date.

Damaged products must be reported to EELP Lighting, in writing, within 10 days of the invoice date.

INVERTERS

EELP shall warranty all inverter systems against defects in materials and workmanship for 1 year. The warranty shall cover all parts for 1 year. With optional start-up provided by EELP's authorized representatives onsite warranty shall be covered for one year. Maintenance contract packages shall also be available.

Items are not subject to prorate.

**This warranty statement supersedes all previous warranties (10/27/06)*
